FAQ:

Where can I get my tickets?

Come on in to the cocktail lounge and ask one of our friendly staff to assist you.

What if I want to use more than one ticket for a show? Can I do that?

Of course. You are able to use your purchased tickets in any combination you choose. Fly solo or bring a date—the choice is up to you.

What if a show has reserved seating?

The ticket packages are primarily for general admission shows. We do on occasion have shows with reserved seating. If that is the case, and you would like to use your voucher on a reserved show, you will need to check with the theatre for seating availability.

What if I lose my voucher?

No worries. We have a record of your purchase and the number of tickets you will have used. Simply contact the theatre and we will provide you with new vouchers for your remaining shows.

How long are the tickets good for?

Your ticket package is good for one year from date of purchase.

Can I give or donate my tickets to someone else?

Absolutely. They are your tickets that you have purchased to use. Just notify us of your intent to “gift” your tickets to someone. We will need their information prior to the show date of attendance.

If I purchase one of the lower priced ticket packages then decide I want to upgrade to more tickets or to a higher-level package, can I do this?

The ticket packages are designed to save you money. If you decide you would like a higher-level package, you will need to purchase it separately.

A live show ticket costs more than a movie ticket, how is this an equal purchase in the packages?

These tickets are for live shows only. Our movies are priced differently and would not be an eligible part of these particular ticket packages.
